Fire Apparatus Serviced & Repaired by Firefighters

Values

- **Service, not sales**. We are not motivated by sales. **Service** is our product.
- **We Listen**. Whether it's about your truck, or a suggestion for us improving.
- Must know **why** it broke. Replacing non-maintenance parts as a troubleshooting step is not what we do. We find a way to prove what the problem is. It's the only way to be sure the problem is fixed!

Training

E.V.T. Class for F3 & F7 is scheduled for February 12-15, 2024. EVT test planned for 2/16/24.
